MYHockey Tournaments, LLC Cancels Tournaments During the March 13-15, 2020 Weekend

After great reflection and in following the lead of USA Hockey, MYHockey has decided to cancel its tournaments for the March 13-15, 2020 weekend due to the Coronavirus outbreak. This was a very difficult decision as we understand that many teams were still looking forward to these events, but we had to weigh the impact of our events on the safety of the players and families planning to participate with us this weekend and felt that we had to make safety our first priority by canceling our tournaments.

We also understand that there will be many questions regarding this decision and the next steps, I will do my best to answer some of the obvious questions here:

First, we want teams to rest assured that we will be refunding all entry fees. If a credit card was used to pay for registration fees, those fees will be refunded to that card. If the registration fee was paid by check, MYHockey will issue refunds by check, teams should expect those checks to be issued within the next two weeks.

Second, if your team was planning to travel to our tournament and were utilizing hotel rooms booked through MYHockey, we will work directly with hotels to cancel all rooms. There is no need for individuals to cancel rooms directly with hotels, we will take care of that for you.

We want to emphasize that teams do not have to do anything at this point. However, if you have other questions about our tournaments scheduled this weekend in Philadelphia, Washington, DC, or Rochester, please contact Tim Regan at tregan@myhockeytournaments.com. If you have questions about the tournament scheduled this weekend in Charlotte, please contact Rich Hansen at rhansen@myhockeytournaments.com.

Again, this was a very difficult decision and we are very disappointed that we had to take these steps. I want to express our thanks to the teams, rinks, hotels, tournament directors, referees, scorekeepers, and other local partners for all of their support and their understanding of this decision in light of this crisis.

From all of us at MYHockey, we would like to wish you and your families good health in these very difficult times.

Sincerely,

Jon Oppenheimer
President
